RENEWED REQUEST FOR CORRECTED FILING RECEIPT

On October 7, 2005 we filed a Request to Correct Filing Receipt. About a year has passed and we have heard nothing back from the USPTO about this. The Filing Receipt has not been corrected.

Upon further review we find additional errors in the Filing Receipt. In addition to the USPTO errors regarding the inventors' addresses, we see that the Filing Receipt erroneously states that the application will be taken "in its order".

The USPTO is, in fact, obligated to take this application "out of order" pursuant to 37 CFR section 1.496, last sentence. The Filing Receipt must be corrected in this regard.

Attached is a marked-up copy of the Filing Receipt showing all of the above-mentioned corrections.

Respectfully submitted,

/s/

Carl Oppedahl
